The amazing Shelley Graff returns!

A feminist singer, songwriter, guitarist, and Singing In Sacred Circle facilitator, Shelley has been sharing her songs with audiences during the past twenty-plus years. Her folksy, personable approach to performing and facilitating Singing In Sacred Circle workshops, draw her audiences down a path of political inquiry, peace, healing, and transformation. It is vital that women get to know one another, on a deeply personal level, and in a safe and caring environment We need to be able to learn from one another, to ask one another for advice, to sing and to play together, and to honor our lives and our stories.

We are so fortunate to have our Women's Connection retreats where we can tell our stories and sing our songs in a safe, supportive, and healing environment. - Juli Ciccarelli
